Feed Deliveries

L.D. Oliver Seed is happy to provide a delivery service to our local barn, and horse facility customers.

We offer Blue Seal and Poulin brand feeds, as well as limited Triple Crown and Cavalor feeds. We do not carry everything these dealers offer; however, we can get the feed you need with a minimum of a week's prior notice.

We provide delivery of livestock feed, horse bedding pellets, and shavings. Our deliveries are every other Thursdays, and orders must be made a minimum of 1 week prior to the deliver date. We do require a minimum of either 20 bags of feed, or shavings, or a combination of both. Feed/Shavings are delivered on pallets which we will unload with our pallet jack. Our pallet jack does not operate well on dirt or gravel, so we would prefer to unload the pallet onto a paved or concrete area. We will do our best to get the pallet unloaded as close to your barn entrance as possible. You must be present at the time of unloading and sign for the delivery. Our delivery and handling fee is \$65.00.

To be set up with a delivery account you will need to fill out an Account Set Up application and Credit Card Authorization form. Deliveries will only be made on prepaid orders, or to customers who have their credit card on file.

Feel free to contact Cynthia Hardy at 802-893-1241 with any questions or to set up a delivery account with us.
